

SUPA Funded Meetings:

2010 Summer School in Ultrafast Nonlinear Optics

Organised by Prof. Derryck Reid
Hosted by Heriot-Watt University
Event Date: Late August / early September 2010
Awarded: £18,000

SUSSP 65 in LHC Physics

Organised by Dr. Victoria Martin (secretary) and Dr. Stephan Eisenhardt (deputy)
Hosted by Edinburgh University
Event Date: 16-29 August 2009
Awarded: £20,000

Narrow Nucleon Resonances: Predictions, Evidences, Perspectives

Organised by Dr Dan Watts
Hosted by Edinburgh University
Event Dates: 13th-15th May 2009
Awarded £4000

Robert Cormack Bequest Meeting 2009

Organised by Sarah Parkes
Hosted by Dundee University
Event Dates: 27th April 2009
Awarded £815

Astrophotonics

Organised by Prof Ajoy K. Kar
Hosted by Heriot Watt University
Event Dates: 30th March 2009
Awarded £850

International Workshop on Ultrafast Chemical Physics 2008

Organised by Prof Klaas Wynne
Hosted by Strathclyde University
Event Dates: 30 - 31st October 2008
Awarded £4135

Habitability in Our Galaxy

Organised by Cait McPhee
Hosted by University of Edinburgh
Events date: 8th-10th October 2008
Awarded: £6000

NANIA

Organised by Richard Blythe
Hosted by Edinburgh University, James Clerk Maxwell Building
Event Dates: 11th and 13th September 2008
Awarded £5000

8th International Position Sensitive Detector Conference

Organised by Dr Paul Soler and Dr Chris Parkes
Hosted by University of Glasgow
Event Date: 1 – 5th September 2008
Awarded £2000

Scottish Universities Summer School SUSSP 64 and 4th European ESR Summer School on “Advanced Techniques in Electron Spin Resonance”

Organised by Graham Smith

Hosted by St Andrews University

Event Dates: 22nd August – 1 September 2008

Awarded £26250

The XVth Cambridge Workshop on Cool Stars, Stellar Systems and the Sun

Organised by Dr Moira Jardine

Hosted by University of St Andrews

Event Date: 21 – 25th July 2008

Awarded £13175

QUISCO

Organised by Daniel Oi

Hosted by Strathclyde University

Event Dates: 13th June 2008

Awarded £1600

SUSSP 63 – High Pressure Physics

Organised by Prof Malcolm McMahon

Hosted by Sabhal Mòr Ostaig, the Gaelic College, Skye

Event Date: 26 May – 6 June 2008

Awarded £26,250

Nuclear Structure at the Extremes

Organised by Professor Robert Chapman

Hosted by School of Engineering and Science, University of the West of Scotland

Event Dates: 8th - 10th May 2008

Awarded £7500

SUPA Joint Seminar and SUPA Centre of Gravity and Dark Energy

Organised by Hong Sheng Zhao

Hosted by St Andrews University

Event Dates: May – October 2008

Awarded £4200

Robert Cormack Bequest Meeting 2008

Organised by Ross J. McLure

Hosted by Edinburgh University

Event Dates: 28th April 2008

Awarded £925

NUCLAT

Organised by Craig McNeile

Hosted by Glasgow University

Event Dates: 21st and 22nd April 2008

Awarded £4900

Photonics – A Celebration!

Organised by Tom Brown

Hosted by St Andrews University

Event Dates: 3rd April 2008

Awarded £1576.20

Photonics Brainstorming

Organised by Johannes Courtial
Hosted by Glasgow University
Event Dates: Winter 2007-8
Awarded £7700

Young Astronomer's Meeting 2007

Organised by Dr Ken Rice
Hosted by University of Edinburgh
Event Date: December 2007
Awarded £2000

Physics with LHC early data

Organised by Dr Samir Ferrag
Hosted by University of Glasgow
Event Date: 26th – 30th November 2007
Awarded £2500

Dark Matters and Colliders

Organised by Dr Tilman Plehn
Hosted by University of Edinburgh
Event Date: 19th – 23rd November 2007
Awarded £3000

Kelvin 2007

Organised by Professor Miles Padgett
Hosted by the University of Glasgow
Event Date: 14th November 2007
Awarded £1500

International Topical Workshop on the Muon Magnetic Moment (g-2)

Organised by Dr Dominic Stockinger
Hosted by University of Glasgow
Event Date: 25th – 26th October 2007
Awarded £1835

LHCb RICH Meeting

Organised by Dr Franz Muheim and Dr Paul Soler
Hosted by University of Edinburgh
Event Date: 7 -18th July 2007
Awarded £600

ATLAS Overview Week

Organised by Dr Craig Buttar
Hosted by University of Glasgow
Event Date: 9 -13th July 2007
Awarded £5700

SUSSP-62: Extra Solar Planets: The Detection, Formation, Evolution and Dynamics of Planetary Systems

Organised by University of St Andrews, University of Glasgow, Royal Observatory Edinburgh, Glasgow Caledonian University

Hosted by Sabhal Mòr Ostaig, the Gaelic College, Skye

Event Date: 28th May - 8th June 2007

Awarded £25000

RSE Cormack Meeting 2007; Multi-wavelength Astronomy - the observable universe from radio to gamma rays

Organised by Dr. Helen Jane Fraser

Hosted by University of Strathclyde

Event Date: 11th May 2007

Awarded £1300

Emerging Trends in Nano Structures and Nanophotonics

Organised by Thorsten Ackemann

Hosted by University of Strathclyde, Glasgow

Event date: 30th April 2007

Awarded £1400

Continuous Variable Quantum Information Processing 2007

Organised by Dr Natalia Korolkova

Hosted by University of St. Andrews

Event date: 13-16 April 2007

Awarded £3000

Laser Driven Proton Oncology - A Unique New Cancer Therapy for Scotland

Organised by Professor Ken Ledingham

Hosted by the University of Strathclyde

Event Date: 30th March 2007

Awarded £5000

Physics in High Dimensional Spaces Workshop

Organised by Dr Tilman Plehn

Hosted by University of Edinburgh

Event Date: 26th – 30th March 2007

Awarded £4300

Medical Photonics Workshop

Organised by Professor Kishan Dholakia

Hosted by the University of St Andrews

Event Dates: 29th/30th January 2007

Awarded £5000

1st International Workshop on LHCb High Luminosity upgrade

Organised by Chris Parkes and Franz Muheim

Hosted by National E-Science Centre, Edinburgh

Event Date 11th / 12th January 2007

Awarded £5700

Emerging Trends in Nano Structures and Nanophotonics

Organised by Dr Francesco Papoff

Hosted by the University of Strathclyde

Event Dates: 18th December 2006

Awarded £1400

Frontiers in Quantum Optics

Organised by Dr. Natalia Korolkova
Hosted by the University of St Andrews
Event Dates: 15th November 2006
Awarded £1000

LHC Physics: Beyond the Standard Model

Organised by Dr. Tilman Plehn
Hosted by the University of Edinburgh
Event Dates: 30th October - 5th November 2006
Awarded £4500

BUSSTEP British Universities Summer School in Elementary Particle Physics
Edinburgh

Organised by Richard Ball
Hosted by University of Edinburgh
Event Dates: 28th August – 8th September 2006
Awarded £2050

SUSSP-61 SUPA Neutrinos in particle physics, astrophysics and cosmology

Organised by Prof Colin Froggat
Hosted by University of Glasgow
Event Dates: 9-26 August 2006
Awarded £15,000

Dark Matter vs. Alternative Gravities

Organised by HongSheng Zhao
Hosted by: St Andrews and Royal Observatory Edinburgh
Event Date: 20th – 22nd April 2006
Awarded £3000

Plasma Physics Group 33rd Annual Meeting, 2006

Organised by Dr. Adrian W. Cross / Dr. K. Ronald
Hosted by University of Strathclyde
Event Date: 10th – 13th April 2006
Awarded £1500

The Chemistry of Planets

Organised by Dr Helen Fraser
Hosted by: University of Strathclyde
Event date: 5-6th January 2006
Awarded £1,000

Plasma Technology Training School

Organised by Declan Diver
Hosted by University of Glasgow,
Event Date: 2006-2008
Awarded £2000 in year 1

Ferroelectrics UK 2005

Organised by Katherine Kirk
Hosted by University of Paisley
Event dates: 26-27th April 2005
Awarded £1000
